

Chess Club and Family Swim

The Bridgewater Recreation Department will be sponsoring a chess club and family swim with and held at the Somerset Valley YMCA, (908) 526-0688 www.ymcasomersetvalley.org. Chess makes kids smarter! How? Well, chess is all about focusing, concentrating, anticipating, evaluating, thinking concretely, thinking abstractly, visualizing, planning, and learning to juggle about a dozen considerations in your mind all at once. Can you improve at all these things and not "be smarter"? Naturally, what anyone gets out of it is a function of what they put in, but if you make an effort, chess yields rewards. Now, add family swim to the mix, and you have a great night of fun and learning. By signing up for the chess and swim combination, the immediate family can partake in an hour of swimming (the kiddie pool will be available). Take advantage of an opportunity for your child to learn and have fun as a family.
